

**VISION**

To take Education beyond and build a new World.

**MISSION STATEMENT**

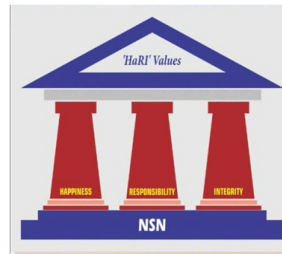

“To provide wholesome education to all classes of society that nurtures values, develops social skills, enhances experiential learning, leading to development of 21st century skills, provides opportunities to discover self, become smart and confident NSNites and contribute to the society”

**‘HaRI’ VALUES**

We believe in the core values of Happiness, Responsibility and Integrity and our endeavor is to instill these core values in students to enable them to achieve holistic growth and develop a charming personality. In order to support the HaRI values, we have 50 best practices.

<https://www.nsnschools.com/best-practice/> Social contribution is an integral part of NSN as we believe in giving to society.

**@NSN, WE CARE**

The management has waived a revenue of more than ₹1,35,26,598 towards fees exemption/fees concession, for meritorious students from underprivileged background and covid'19 victims, whose families have been affected financially, due to the pandemic.

**Editor’s Note**

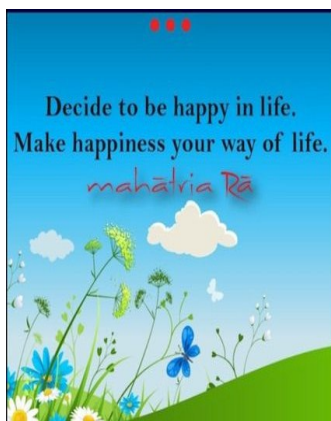

New year’s Eve was a calm affair with indoor celebrations against the usual flurry of excitement. That is not, however, going to mar the spirit of the new year. We may not burst crackers, but there’s a light of hope, no party poppers but a confetti of joy, no loud music but the beautiful sounds of hearts beating in love, for the well-being of the human race. We at NSN are as positive and excited about the upcoming term in the new year with a lot more experiences planned

for our students. Positivity was not just yet another theme for the month, but is a mantra for life. Let’s carry it forth and spread positivity and cheer. Embrace all the positive vocabulary and positive traits. Addictions needn’t be only the negative ones, try the positive addictions and feel the vibes, as 2022 is rightly the Year of Right Addictions.

## KINDERGARTEN

### Blue Day – “It’s a BLUEtiful World!”

Date: 11.12.2021

A Show and Tell activity was conducted, where children spoke about different objects. Most of the children displayed confidence in speaking. This activity served as a platform to improve the communication skill and to build the confidence of students. As a token of appreciation, E certificates were awarded to all participants.

No. of E-certificates for  
Full attendance for KG  
416/909

### Fun day

Fun day was celebrated for Kindergarten students on 22.12.21. Children were given the experience of watching a virtual Magic Show. They were glued to the screen with excitement and curiosity to watch out “What next”. Children were dressed up in their favorite outfit wearing a Santa cap and tuned in to the music of “Jingle bells” which pepped them up to dance and enjoy their day.

### KG - “WINGED WONDERS”

A “Talent show” was conducted and the children were dressed up as “Birds” and spoke about the uniqueness of each bird of the chosen countries and its significance.

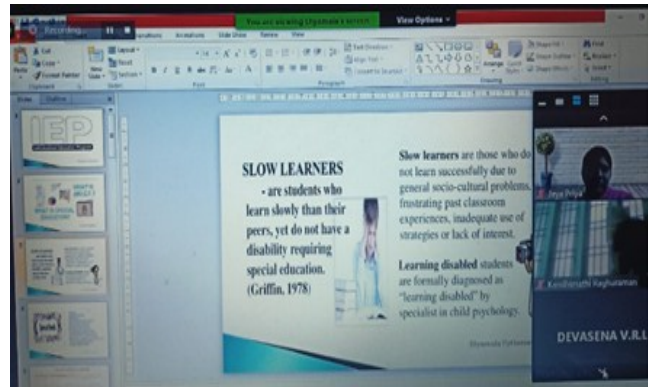

## PRIMARY

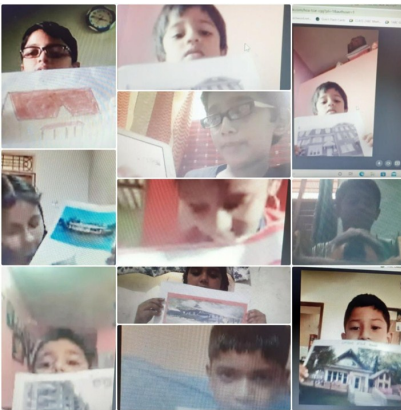

Session on Individualized Education Program (IEP)

Date : 11/12/21

The Special Educator conducted a session for Primary Mentors on IEP, a tool which aids in meeting the educational needs of students with special needs. A detailed explanation was given about what an IEP must include and the assessment tools for screening test.

## I & II- "DWELLINGS"

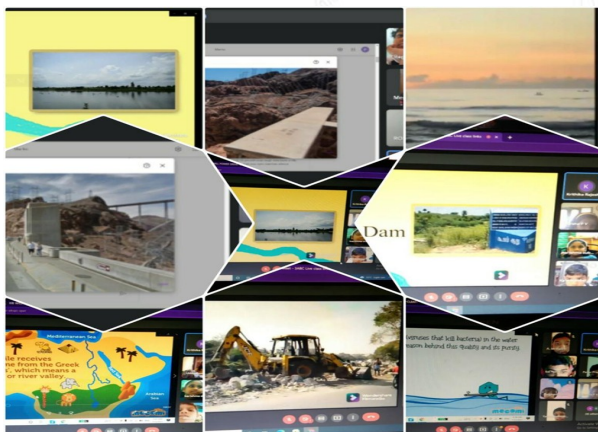

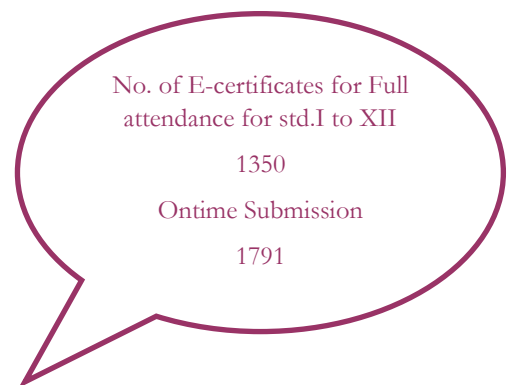

A "Show and tell" activity was conducted and the students spoke about the dwellings in each country and they presented the houses, its types and the materials used for it in the form of charts and models.

## III & IV - "RHYTHM OF NATURE"

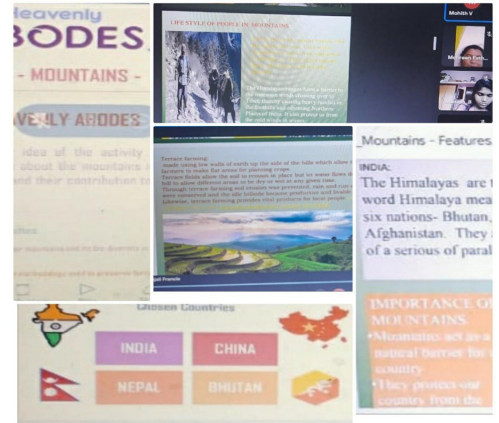

The students were taken to a 360 degree virtual trip to Hoovers Dam in Arizona (USA) to have a complete view of the dam. The students experienced the virtual tour on the different rivers in Brazil, Colorado (USA) and different dams.

Tools used for Virtual Tour - Google Maps, Google Street View, and Google Earth 360°.

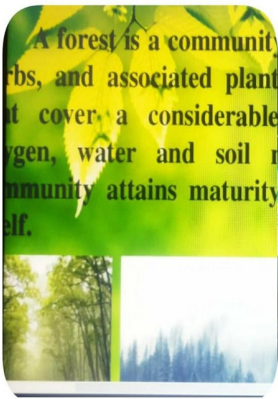

## V & VI- “THE HEAVENLY ABODES- MOUNTAINS”

The students were shown picturesque views, tourism spots, natural habitat, flora, fauna, farming, etc., in the chosen countries in the Google Meet Live Class.

## MIDDLE SCHOOL

## VII & VIII- “THE GREEN CANOPY-FOREST RESOURCES”

The students explored and collected information about the various forest resources available in India and the chosen countries (Canada, Brazil, United States) on the commercial value of the forest resources and its ecological significance and presented it through PPT.

## HIGH SCHOOL

### IX- “ENTERPRISING ENTREPRENEUR”

The major idea of the activity is to create awareness about small and medium-sized enterprises.

The students were shown a presentation on the types of small scale industries and its features. Countries covered (India, Netherlands, Germany, Singapore and Afghanistan).

DEAR Time (Drop Everything And Read)  
for KG to Std. XII on 7.12.2021

## WOW LEADERSHIP

An online training session was conducted on “WoW Leadership” by Ms. Megha Bajaj, for selected students of class 9 to 12. Students have had 3 out of 6 sessions and they already feel much more confident than they did before.

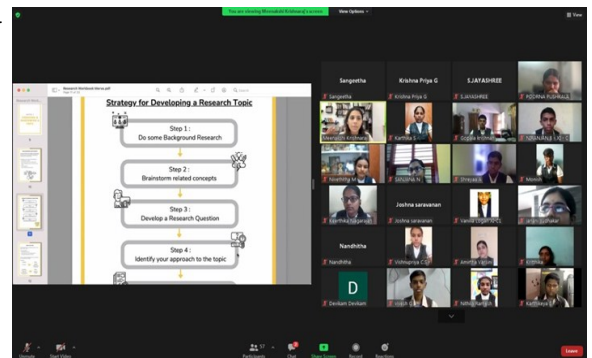

“Mrs Megha Bajaj’s WoW session was great. At first, I was a little nervous but within a few moments, she made us all very comfortable. It’s a platform where there is no judgement, we spoke our heart out. The first session was all about building confidence and we were also given a task to complete. The first session was simply great. I learned and enjoyed it a lot. I’m looking forward to more fun and learning in the forthcoming sessions”

Kavya K - XII B

## RESEARCH SKILLS SESSION BY MERVA

A series of research skills sessions were conducted by Ms. Meenakshi Krishnaraj of Merva. The objective of the session was to hone the research skills among the students of class XI. A total of twelve sessions were conducted from 27th October to 30th December. The sessions helped students understand the basic concepts of research - primary research, secondary research and the process of writing a research. Students were introduced to various steps involved in research, starting from identifying a topic, doing background research, narrowing down on the topic, citations and abstract writing. Sessions were interactive with students doing rounds of discussions in breakout rooms. Students submitted a research paper on their favorite topic at the end of the session.

The sessions had helped students to explore about research as well as the different steps involved in writing a research paper. These sessions had certainly laid a strong foundation for their future research activities.

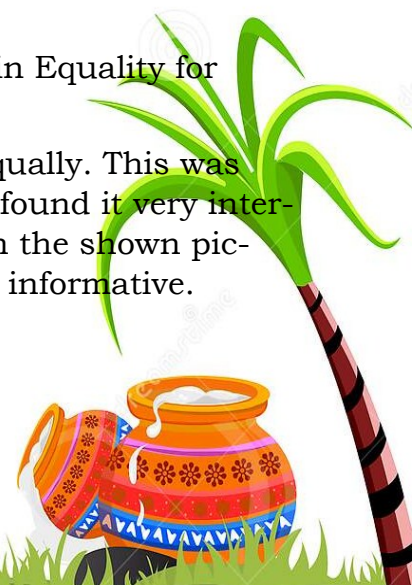

## LEADERSHIP CLUB SESSION:

Date: 04.12.2021

Topic: Would You Rather? Leaders Believe in Equality for Everyone.

Leadership is all about treating everyone equally. This was the main focus of the session and children found it very interesting. They were able to give their views on the shown pictures. The session was very interactive and informative.

# RAMANUJAN MATH CLUB DAY

Date: 4.12.2021

Students were taught simple tricks to do multiplication and solve square root in an easier way. Puzzle time was fun time for students, who displayed their mathematical skills. Videos on real life applications of mathematics and various examples shared by the students in the Padlet added value to the activity.

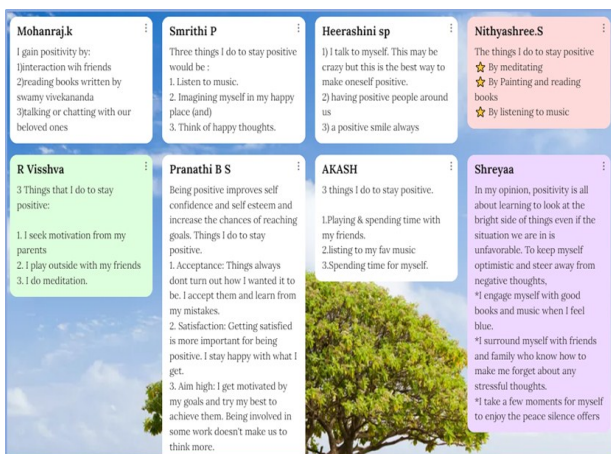

## WILL POWER DRIVE

The Theme for December month's Will Power Drive was "Positivity". A positive mind encourages progressive thoughts and growth, creates self-awareness, self-reflection and channelizes emotions. Students were encouraged to take up the challenge of being mindful in their thoughts and actions and express any three outcomes of entertaining positivity in the padlet posted in the GCR.

## Tree of Joy

Theme: Positivity

## STAFF DEVELOPMENT PROGRAMS

Webinar on "Measuring Quality Objectives", conducted on 20/12/2021 by Dr. Leena Pimpley, Lead Assessor, NABET for the Principals, Vice Principals and HODs.

## CONNECT WITH US

NSN is proud to connect with the alumni who have placed NSN on the world map. It is always a pleasure and a moment of pride to hear from our alumni.
