SACRED SPACE

EDITOR'S NOTE

Being a living example of what you want to see in the world is one of the most effective things you can do.

Role models serve as beacons of inspiration, guiding us through life's challenges and shaping our aspirations. Whether they're figures from history, mentors in our community, or loved ones close to us, role models embody qualities we admire, and seek to emulate.

- Contd....

Their actions, values, and achievements inspire us to strive for greatness, to overcome obstacles, and to make positive contributions to the world around us. In their footsteps, we find not only direction, but also the motivation to pursue our dreams, and become the best versions of ourselves.

Rarely do the role models found in books and scriptures have a bigger influence on a child than the ones they observe in action, in every family. Moral science is never learnt from books, but by watching those who live around us. What we leave FOR our children (materialistic abundance) is not as important as what we leave IN our children (morals and ethics). Let's be positive role models for our children, and set a good example for them.

Muthu Abirami, an NSN alumna and Advocate cum Chartered Accountant, added charm to the event. The Pre-KG children were adorned in traditional attire in rainbow colours. They participated in a charming welcome ramp walk, holding pom-poms in their hands. Seven children, symbolizing the colours of the rainbow, held letters spelling out "WELCOME," extending a heartfelt welcome to all. The theme of "Landforms" added an educational touch, with children portraying lifestyles from various landforms, such as Kurunji, Mullai, Marudham, Neydhal, and Paalai. KG FUN DAY

It was time to celebrate the KG classroom characters' BIRTH-DAYS at our school. The students had a great time dancing to their favourite songs at the celebration. It was a day of fun and games, so the classrooms were a hive of activity and enthusiasm.

Children created and painted cakes using their favourite colours. A birthday celebration wouldn't be complete without the Birthday song. Students wished and sang together for the class character, who served as their friend for the entire year.

STAFF WELFARE PROGRAM

On 12th, 13th and 14th March 2024, NSN organized a free comprehensive blood test for all the staff, promoting health awareness, and providing convenient health monitoring. The event aimed to prioritize staff health, and received positive feedback. Dr. Sai Meenakshi, a Gynaecologist, along with a team of doctors, visited the school for consultations regarding the blood reports, on 23.3.'24. The event served as a testament to the school's commitment to the well-being of its staff members.

WILL POWER DRIVE

"Waking Up At A Fixed Time", gives us an edge to manage time efficiently, which will take us to the pinnacle of success. The students were motivated to make it a Dinacharya to wake up at a fixed time, which will help them to maintain the circadian rhythm, and be alert and active throughout the day.

Tree of Joy

The theme for the month was "My Inspiration/ Role Model". A role model is someone who leads by example, inspires greatness, and motivates others to reach their full potential. Students shared their expression on "I look up to...." in a sticky note and pinned it on the tree.

KARADI PATH - ORIENTATION

A workshop for teachers was held on 26.3.'24 for an orientation on the Karadi Path Programme. It commenced with a concise introduction to the Grades I &

II Karadi Path–Power English Program, designed to cultivate English proficiency, and prioritize language advancement among students. The primary objective is to enhance children's speaking skills.
